Dear Paul,

Re: Post Submission Extension of Time Agreement (EOT)

PLANNING REFERENCE	P/21/093/FUL and P/21/094/LBC
DEVELOPMENT PROPOSED:	Removal of store, replacement of existing scantle tiles with natural slate on south east section of roof and removal of two internal partition walls. (Listed Building)
LOCATION:	The Kavorna, Hugh Street, Hugh Town, St Mary's, Isles Of Scilly, TR21 0LL

The Council of the Isles of Scilly has adopted a development management approach to the facilitation of development proposals. In doing so it has accepted that dealing with some planning applications within the statutory timescales is not always possible given the sensitive environmental constraints. In this case the submitted Heritage Statement has been considered insufficient to address the significance of the impact on the listed building. We would like to provide an opportunity to address this.

We would like to work with you to allow further time for you to address the heritage impact and to enable the application to be fully considered and a positive recommendation reached. On this basis I would like to agree an extension of time up to **25th February 2022**.

Your agreement would enable both applications to be kept open beyond the original 8 week deadline of **11th January 2022**. This would be at nil cost to you/ the applicant, but would enable the Council to keep the case open whilst maintaining a dialogue with you.

If you/the applicant is agreeable to entering in to the EOT then I would request that the attached is signed and returned to me at the Council of the Isles of Scilly. By entering into a EOT with the LPA you can expect the following:

- An opportunity for ongoing dialogue and negotiation on the planning application/Listed Building Consent;
- Further meetings with the case officer (where necessary) to resolve any outstanding planning matters;
- A revised target date with a commitment to an ongoing review; and
- A commitment from the Council to issue the planning permission within the agreed period.

Please contact me should you wish to discuss this further and we look forward to receiving your signed EOT. We would recommend that you keep a copy of this EOT for your records.

Yours Sincerely

Lisa Walton
Chief Planning Officer

This Extension of Time Agreement is entered into by the applicants and the Local Planning Authority to ensure that the outstanding matters regarding the planning application can be successfully resolved and a decision reached.

In return for signing this EOT we understand that there will be:

- An opportunity for ongoing dialogue and negotiation on the planning application;
- Further meetings with the case officer and other specialists (where necessary) to resolve any outstanding planning matters;
- A commitment from the Isles of Scilly Council to issue the planning permission within the extended date agreed.

There is no additional fee required for this service and it does not prejudice your/the applicant's ability to appeal non-determination should this become appropriate.

Whilst the LPA will endeavour to resolve all planning issues with your case nothing in this EOT shall restrict the Council of the Isles of Scilly properly exercising its role as the Local Planning Authority. Similarly, nothing in this EOT fetters the Council's statutory powers to grant or refuse planning permission.

Target Date for Issuing a Decision unless otherwise agreed: **25/02/2022**

To be filled out following agreement by both parties
