To whom it may concern,

My name is Cristian Bran (please note my address added at the end of this email) and I am writing to you on the subject of the takeaway van "Lilly's Thay van" located on Holgates Green.

It has come to my attention that there where a few formal complaints received by the council. All though I am not privy to the nature of the complaints and their subject , thus unable to express an opinion on their justification, I can attest that loosing Lilly's Thay van would be unfortunate for the Island community.

As we all know, during the season , sometimes it can prove to be quite difficult to find available bookings at restaurants or other food venues on the island, in which case a takeaway van can be quite a blessing. It also offers a cheaper alternative for locals and visitors alike who can enjoy a meal out at a reasonable price if they can't afford to eat at a restaurant.

I would also like to add that this or any entrepreneurial venture should not be discouraged by the council unless it brings with it problems of antisocial behaviour such as excessive littering, loud noise, or any other kind of major disturbance or inconvenience on the general public or other businesses in the area.

Kind regards,

Cristian Bran
