Dear Planning Department

Planning application: P/22/056/COU

We write to support Martyn & Lily's planning application.

As a Catering business owner ourselves, albeit on a different island, it is still always nice to have extra outlets to eat on St.Marys, as when the summer is in full swing we often struggle to find places to eat, and as seen on the various Facebook Groups so do a lot of the tourists and locals.

Having tried the delicious food and had a brief look at the set up of the venue we feel the disturbance is very low, in an area of the green that is not often used anyway.

Regards
