Dear Lisa

I just left a message for you on your answer machine as I understand that today is the last day to register support or otherwise for the planning application by Martyn Smalley, number P/22/056/COU.

My wife, who is now resident on the islands, and I wish to support this application for change of use and the operation of Lily's temporary catering trailer. It has minimal impact on the site and is a good asset for people wishing to eat on the green. Additionally there is almost no noise pollution or negative visual impact and the food is extremely healthy and planet friendly.

Sincerely,

Mrs. Supaporn Thokaw and Mr Christopher Hall
