Hello Lisa , I hope you are fit and well .? I have just seen the application for 'change of use ' by Martin Smalley for Holgates Green . I would certainly object to 'change of use' as it will encourage others to do the same especially when the Museum Project goes ahead . If this happens the Islands will lose a valuable congregation area for all sorts of local functions . Is it possible for the Council to grant some form of licence which would have to be renewed every 12 months similar to a street traders licence ? Another suggestion would be to put these stalls in to the Carn Thomas Carpark ?? Best wishes , Terry
