Dear Sir/Madam

I understand that planning application has been submitted for a takeaway wagon, Land Rover and generator to be sited on Holgate's Green, St Mary's.

I lived and worked on Scilly 50 years ago and have continued to holiday on St Mary's since then and think that it will be a huge mistake to start allowing takeaway vans to use this lovely green where people can sit and picnic and look out over the harbour as surely other people will want to follow suit. Please reconsider this application. There must be other places to put this van. What about on the quay or behind the Town Hall where the other takeaway vans park.

Thank you
