Planning Department
Council of the Isles of Scilly
Town Hall
The Parade
ST MARYS Isles of Scilly
TR21 0LW

Dear Planning Officer: Ref Planning Application P/22/056/COU

I am writing to object to the above planning application. It is not appropriate to locate a mobile food unit, Vehicle's or any regular business on the Green, which is supposed to be a recreational area for the public. This is one of the only areas of open space where people can enjoy peace and quiet.

The Green should not have any Street Trading licenses at all. There are alternative locations available.

I have no objection to this mobile food unit operating but this location is completely wrong. There is space in other locations such as behind the Town Hall, at the Bank.

I am amazed that the council have allowed and even encouraged the Van owner to make an investment before planning consent was granted. I also notice that the van is breaking the rules of the street trading policy by keeping a vehicle on-site, operating a noisy generator openly and has driven around the Green when people are very close by.

The fact that the council has allowed this to operate without planning consent and breaking the street trading rules shows that they do not care for the Green or local residents and I wonder whether this is now something that they can fairly judge given that they have encouraged breaking of there own rules.

Sincerely,

Mrs M.Mapplethorpe
