Dear sir/madam

I am writing In response to the negative comments about lily's food Van on Holgates, i think it is very unfair , she is a Harding working lady who is trying to bring something different to the food seen on scilly , especially as there are not a lot of places to eat as so many restaurants have closed down, her food is delicious .

And it is also great for the visitors who come to scilly and the diversity of food cultures, I think its really sad that there is all this negative feeling , will there be more of this when the other food Van's are on holgates next year !!!! . I do hope that lily can still sever her food as it really is delicious ,and she deserves a chance .

Yours sincerely

Miss Anna Marks
