Dear Sir/Madam,

I shocked and horrified to see the application for a takeaway wagon to be sited on Holgates green.

Scilly is a place of beauty and tranquility. If, as a regular visitor of over 50 years, I am to be faced with sight, sound, litter and no doubt increased gull activity this wagon will attract, then Scilly will cease to be the place that I and many thousands of other visitors come to visit every year. If this eyesore goes ahead it will create a precedent; how many more wagons will be parked there in the future?

Please do not allow this abomination.

Yours Faithfully
