Dear Lisa

Planning application: P/22/056/COU

I write to support Martyn & Lily's planning application.

It is heartwarming to see a local couple working very hard to create another much needed food opportunity, for both locals and visitors alike.

There will never be a perfect place to suit everyone, someone will always complain, but we have to accept that so many food venues are no longer trading. Martyn and Lily have been very mindful of disturbance to others, this should be an example to others.

Times are changing in Scilly. As a child I remember Reg Phillips operated his Fish & Chip van in the Mermaid Carpark, now the carpark is full of builders' materials and vehicles, or golf carts, parking is difficult at best in town, so Holgates Green is an off road spot where people can stand safely to buy food.

Regards
