Dear Sir/Madam,

I am writing to show full support for Application P/22/056/COU for a takeaway van to be situated on Holgates Green, St Mary's. I fell in love with Scilly, along with thousands of others have also throughout the years, and as a regular visitor to the islands I think it is vital to encourage any local to be successful in their new business pursuit, and with places to eat such a sparse amount on St Mary's compared to the abundance of visiting guests each season, it is time for change and development. The green area proposed for this van is perfect, the ideal off- road place for a food venue, easily accessible to visitors in a central location. I currently cannot see another potential place, that would be suitable to have Lily's van that has all the additional public facilities such as toilets, bins, tables and benches, and the beach right there.

Thank you for your consideration,
Very best,
Atanas Tonev
