To whom it may concern,

I am emailing to express my strong support for Lily's Thai Van and it's positioning on Holgates Green. Additional food venues are in high demand on the Isles of Scilly and the Van is the perfect eatery to add to the options available for guests and islanders alike. Holgates green is the perfect spot for a food van, there are public toilets, bins and picnic area present making it the natural venue for takeaway food. It can be easily tucked away and would not take away from the view at all.

All the best,
Rebecca Waites
