REPRESENTATION: I am writing this email to state my approval regarding this application.  
I am a regular visitor to the islands and I and my family find it hard to go out and eat as everywhere is fully booked up. I know you have vans outside the town hall most nights during the summer but I feel having a choice of a on Holgates not only adds a different option for choice of food but is also safer for the people who are queueing up wanting to get something to eat. There are benches where like my family can sit and not have to worry about cars driving along the road like they do when you have to queue at the back of the town hall. Myself and my family can not wait to visit soon and visit this lovely van which is in a safe and friendly place
