Isles of Scilly.

## DESIGN and ACCESS

This application is to obtain Listed Building Consent and Full Planning Permission to the Kavorna, Hugh St, St. Mary's, Isles of Scilly.

The application seeks to remove the existing slate tiles on the south roof of the Kavorna's main building.

The existing tiles have slipped and have been repaired on the south side in recent years, with the north side of the buildings roof having to be completely removed in the winter of 2022 due to safety issues, the tiles were removed and stored. A contractor was employed and Natural Slates have been used to re tile one side of the roof.

This application is to gain permission to replace both side of the roof with Natural slate tiles, as described in the Heritage Impact Statement accompanying the application.

There are no alterations to the access of the property.
