Dear Matthew,

Section 211 of the Town and Country Planning Act 1990: Notification of Works to Trees in a Conservation Area

REFERENCE: P/22/086/TWA
WORKS PROPOSED: Application to sectionally fell and remove 1x Pinus Radiata (Monterey Pine) which is approx 30 metres in height which is situated approx 25 yards to the north of building complex at Holy Vale.
LOCATION: Holy Vale Farmhouse Outbuildings, Holy Vale, St Mary's

Thank you for your notification for tree works in a Conservation Area dated 18th December 2022. I am writing to confirm that there is **no objection** to the above tree works. Whilst the tree holds good amenity value it is considered that the proposed works are appropriate. The Council does not intend to protect these trees further through a Tree Preservation Order (TPO).

If the works are not executed within two years of the date of this letter you are required to notify the Council's Planning Department again of your intention to undertake work to the tree. The work could be carried out in accordance with good practice as set out in "British Standards Recommendation for Tree Work" BS3998.

Yours sincerely,

Lisa Walton
Chief Planning Officer
