Hi Eddie,

In response to [your comments](#) regarding waste and recycling, the applicant has made provision for storage inside the building on the ground floor – [see this plan](#). Please can you let us know if this addresses your comments.

Regards,
Andrew King
Officer: Planning & Development Management

Please note that I work remotely however phonecalls do come through to our computer system. If your call is unanswered, voicemails will be picked up and calls returned as necessary. If you do have a planning enquiry then it is best to put this in writing, ideally by email as there is a delay in the processing of post.

If you would like to arrange a meeting with staff in the Planning Department then please let us know. We have the Teams applications available if you would like to make an appointment. Physical meetings and site visits can be organised if necessary.

Hi Liv

Please see attached response from waste relating to P-23-001-COU

No response from Highways as there's provision for parking within the property's boundary

Cheers

Eddie
