In favour of application [P/23/036/COU](#).

I am completely in support of the food vans on Holgates green.

With more and more B&B's turning into self-catering accommodation, there are not enough places for visitors to eat on St Marys.

The space on Holgates Green is a great community space for holiday makers and locals to get together and enjoy some food and a chat.

Some of our guests have visited Lilys Van and commented on how great the food was and they really felt part of the community.

There are always going to be locals who complain about any change but we need to move with the times and this is a great addition to what we can offer visitors.

Best regards
