Dear Sirs,

We object to the above application for a take-away food outlet on Holgate's Green.

We are concerned that approval will create a precedent and result in other outlets requesting space on the Green, resulting in the closure of the area to all its many present uses.

There are no substantive changes in this resubmitted planning application and given the previous rejection of the application, it is unclear why a new application is being considered and the outlet is being allowed to operate without planning permission on the Green.

Kind regards  
Alan & Glen Davis
