Thank you for the amended plans dated 10th October 2023.

While it was good to see that the Conservatory has been changed to a wooden one, our question as to what your thoughts are on the rear porch/utility room which adjoins our property has not been answered. We are worried that we will be unable to have the water tight roof we have at the moment or it will end up costing us money.

Yours faithfully Martin and Gill Smith.

Tea,
Hugh Street,
St Marys
