Environment Agency Position

We have no objection to this development.

From a waste perspective we are happy for this to proceed under a T23 waste exemption. Please note restrictions on tonnage for table 2 waste. Please refer to the advice / guidance below:

[T23 waste exemption: aerobic composting and associated prior treatment - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/t23-waste-exemption-aerobic-composting-and-associated-prior-treatment)

Yours sincerely
