Dear Lisa

I am writing with regards to the planning application relating to the land to the south of Pungies Lane.

I have no comment one way or the other in regards to the actual application but I note the comment from Sarah Whittaker in response to the application; "*taxis are increasingly expensive and there is a lesser service through the winter months which again applies to up to 6 months of the year*".

As a taxi/private hire service our prices are always going to be higher than a bus service but my issue is with the reference to a lesser service. This is absolutely NOT the case. Both myself, and Duane at DJ Cabs (who I have copied in to this email), offer the same service, days/hours of operation, 12 months of the year, with the exception of when we take holiday. We work very closely together to try and ensure, that wherever possible, we do not take leave at the same time.

I have attached my usual hours of operation for your reference.

Kind regards
Sam
