Details of the pre-application advice received

To apply for advertisement consent we would need specific details of the proposed signage so you would need to know the size, design, materials, position etc in order to be able to submit that with the application. As the whole of the Isles of Scilly is a Conservation Area and Area of Outstanding Natural Beauty we need to be able to assess the proposal to ensure that it does not cause any harm to the character and appearance of the area and building.

Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

Yes

No

If No, has the permission of the owner or any other person entitled to give permission for the display of an advertisement been obtained?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
