**C3 This permission shall be for a limited period only expiring on within four years from the date of the first mobile accommodation unit being placed on the site. Before the first use of this site, the applicant shall confirm with the Local Planning Authority:**

- (a) the site and the commencement date of this permission; and**
- (b) the current state and condition of the application site.**

**The use of the site hereby permitted shall be discontinued, the mobile accommodation units, and all other equipment, surfacing and structures shall be removed from the site and the site reinstated to its former condition within four years from that commencement date.**

Reason: This is a pre-commencement condition that requires details on (a) the start date and (b) condition of the site, to be confirmed before it is first brought into use, this is to safeguard the long term visual amenity and landscape character of the Islands and to acknowledge the particular circumstances in this case and to retain control over the future use of the site in accordance with Policies OE1 and OE7(5) of the Isles of Scilly Local Plan (2015-2030).

**C4 The occupation of the sleep units, hereby approved, shall be limited to contractors in connection with the South West Water Capital Delivery Programme only. The applicant shall maintain a register of occupants for each calendar year. This shall be made available on request for inspection by any duly authorised officer of the Local Planning Authority.**

Reason: To ensure that the temporary sleep units are occupied only by persons employed as external contractors.

**C5 No construction plant and/or machinery, as part of the implementation of this permission, shall be operated on the premises, before 0800 hours on Mondays through to Saturdays nor after 1800 hours. There shall be no works involving construction plant and/or machinery on a Sunday or Public or Bank Holiday.**

Reason: In the interests of protecting the residential amenities of the islands.

## Further Information

1. In dealing with this application, the Council of the Isles of Scilly has actively sought to work with the applicants in a positive and proactive manner, in accordance with paragraph 38 the National Planning Policy Framework 2021.
2. Fire Safety: Access and Facilities for the Fire Service as detailed in B5 ADB Volume 1 will be required. For dwellinghouses access for a pumping appliance should be provided to within 45m of all points inside the dwellinghouses.
3. In accordance with the Town and Country Planning (fees for Application and Deemed Applications, Requests and Site Visits) (England) (Amendment) Regulations 2017 a fee is payable to discharge any condition(s) on this planning permission. The fee is current £145 for each request to discharge condition(s) where the planning permission relates to any other type of development other than a householder application. The fee is payable for each individual request made to the Local Planning Authority. You are advised to check the latest fee schedule at the time of making an application as any adjustments including increases will be applied:  
[https://ecab.planningportal.co.uk/uploads/english\\_application\\_fees.pdf](https://ecab.planningportal.co.uk/uploads/english_application_fees.pdf)
4. Non-Material Amendments: In accordance with the provisions of Section 96A of the Town and Country Planning Act which came into force on 1st October 2009, any amendments to the approved plans will require either a formal application for a non-material amendment (for which a fee would be required) or the submission of a full planning application for a revised scheme. If the proposal relates to a Listed Building you will not be able to apply for a non-material amendment and a new application for a revised scheme will be required. Please discuss any proposed amendments with the Planning Officer.
