

Flood Risk note

IOS Cultural Centre and Museum – April 2024

We note and acknowledge there is a small flood risk in Church Street at the front of the Town Hall. However, because of the temporary nature of the compound works and the raised site cabins in this location, the risk is mostly removed.

This location is in flood zone 3 - the map shows the flood risk to your site and the surrounding area.

This location is in flood zone 1- the map shows the flood risk to your site and the surrounding area.
