Information Classification: CONTROLLED

Hi Lisa,

Given the civic re-use of the former chapel we don't consider the proposal inappropriate, or to detract from the significance of the building. It would be preferable however for the fixings to go through the mortar joints as opposed to the masonry. This would be less damaging to the fabric of the building and more reversible.

Kind regards  
Vic

Hi Vic,

We haven't consulted you on this one as its fairly straightforward. But the Council of the Isles of Scilly own and work from the Old Wesleyan Chapel, it is a grade II listed building that was saved about 20-25 years ago from almost dereliction. However we have a new application in to erect a new flagpole on the exterior.

This will be going to our Full Council for a decision in November – but my question is, whether or not you would have concerns about this: <https://www.scilly.gov.uk/planning-application/planning-application-p24059ful>

**CAVEAT TO PLANNING ADVICE:** Any advice given by Council officers for pre-application enquiries does not indicate any formal decision by the Council as Local Planning Authority. Any views or opinions are given without prejudice to the formal consideration of any planning application. The recommendation on any application can only be made after the Council has

consulted local people, statutory consultees and any other interested parties in accordance with statutory procedures. The final decision on an application will then be made by the Full Council or by the Chief Planning Officer under delegated powers in accordance with the Council's approved Scheme of Delegation and Planning Protocol, and will be based on all of the information available at that time. You should therefore be aware that officers cannot guarantee the final formal decision that will be made on your application(s).

**PLEASE NOTE:** I work on a hybrid basis, with some partial remote working. Phone calls do, however, ring through to wherever I am working. If your call is unanswered, voicemails will be picked up and calls returned as necessary. If you do have a planning enquiry then it is best to put this in writing, ideally by email as there is a delay in the processing of post.

**PRE-APPLICATION ADVICE:** The Planning department offer a bookable appointment system, which allows people to book a slot to speak to us in person. Currently this is only on a Monday morning and slots are limited. If you do wish to book a slot, please email: [planning@scilly.gov.uk](mailto:planning@scilly.gov.uk) with a request to book a Monday morning planning advice session. The Council will be shortly introducing a charge for pre-application advice. We will be publishing these details on the Planning pages of the Councils website shortly. In the meantime details of the proposed charging schedule can be found in the [September Full Council](#) committee report, Agenda Item 11.
