Representation: Planning Application Representation P/24/067/HH

Hi,

My step father bought Westpoint when these houses were built in 1967. Since approx. 2010 Westpoint is part owned with myself and my sisters. My Wife and I moved to Scilly in 2020 and purchased Vine Cottage, 6 strand which we have rebuilt with the help of Shearwater Construction.

Having reviewed the plans for Coastguards Retreat my wife and I would like to voice our support for this application. The design of the property will significantly improve the view from Porthcressa looking up towards the Buzza Tower.

The current property has been in dire need of someone with a vision and who wants to invest in the islands with local trades benefiting. It is even more important as the occupants are full time residents and providing valuable Physiotherapy services to the Islands.

We feel the design is a perfect blend of modern design with sympathetic use of Cornish materials which will benefit the whole side of the hill. It will also blend well with the historical cottages at the sea front and has good use of renewable energy sources.

Accordingly, we fully support the application.

Kind regards

Rob and Ulrica Ife
