I look forward to receiving your comments in due course. If I have not heard back from you by the **18th March 2025** then I will assume you have no comments to make.

Consultee Name: Cornwall Fire and Rescue Service

(Comments)

The Fire Authority has no adverse comments to make regarding the application.

If planning approval is granted the works are considered 'controlled work' and therefore building control approval will also be required and subsequently the fire authority should also be consulted at the same time, as the premises will fall within the scope of the Regulatory Reform [Fire Safety] Order 2005.
