P/25/030/2025 Porthloo Farmhouse

Site Waste Management Plan

Source of Building Materials

Plywood and corrugated bitumastic roofing purchased from Travis and Perkins Penzance
Timber frame will be constructed from recycled timbers reclaimed from the old glasshouse

Disposal of Waste Arising from Buildings Works

There will be minimal waste from this project, with only a few remaining old corrugated roof sheets being removed. These will be disposed of along with general waste from shed clearance in a waste skip hired from Richard Hand Haulage
