27 June 2025 10:01:31

CAUTION: This is an **EXTERNAL** email which was sent from outside of Cornwall Council's network. Do not click links, open attachments, or reply unless you recognise the sender and know the content is safe. Do not provide any login or password details if requested.

Please see responses from some of the earlier queries below:

I spoke to Chris on his points and we can respond as follows:

- Do you intend to improve (either re-render or paint) any aspect of the south west elevation while undertaking this project? **This is the front elevation and we will repaint and repair as necessary.**
- Are we correct in thinking that the existing signage on the south west elevation will remain in place and not be changed? **New signage will be subject to a separate application for advertisement consent.**
- That the new access to the residential upper floors won't encroach onto the highway? I can see from the plans that the door opens inwards but they want this clarified. **No amends to the highway proposed.**
- Where will the refuse and recycling for the flats on the upper floor be located and will access be provided for collection which I believe takes place from the rear of the site currently? **Not sure on the existing arrangements but there is space within the area marked on the attached screenshot to accommodate refuse bins which is accessible from all flats and for refuse collection to the rear.**

Kind Regards

Stacey
