Biodiversity net gain
Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.
This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:
☑ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply
*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
Site Visit
Can the site be seen from a public road, public footpath, bridleway or other public land?
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? ○ The agent ⊙ The applicant ○ Other person

	Authority Employee/Member
	With respect to the Authority, is the applicant and/or agent one of the following:
	(a) a member of staff (b) an elected member
	(c) related to a member of staff
	(d) related to an elected member
	It is an important principle of decision-making that the process is open and transparent.
	For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having
	considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
	Do any of the above statements apply?
	○ Yes
	⊗ No
